

## School Ambassadors Meeting

Wednesday 15<sup>th</sup> May 2024

**Meeting Focus:** development and design ideas for the school quad.

Key questions:

- What surface do we want? (astro – fake grass, tarmac, paving - patio)
- What kind of atmosphere are we trying to create in that space?
- What other additions can we make to create that?

**In attendance:** James, Ella, Nelly, Rosie, Lennie, Henry, Eva, Tilly, Molly, Anthony, Amy and Noah, Betsy and Kian

**Absent:** Wells

**Lennie** – astro good as it's soft as we could take off our shoes and it would feel soothing under foot.

**Nelly** – bench and a table to sit at

**Molly** – water feature to watch in order to make it calm

**Henry** – we need to think about money

**Noah** – garden area

**Anthony** – bonsai tree

**Rosie** – bamboo windchime

**Lennie** – lavender

**Kian** – homemade fruits – so plant fruit bushes

**Ami** – planters round the edge; comfy removable cushions on benches; a large sign – family, faith, flourish that promotes our school vision. A worry post-box to pop your thoughts in

**Eva** – a sandpit

**Kian** – gazebo or tarpaulin to go over the space

**Molly** – herb garden

**Ella** – woven willow den with a hammock

**Anthony** – book corner

**Henry** – I think we need to think about the black bits

**Harry** – an egg chair

**Eva** – bunting saying calm and a tee-pee

**Betsy** – one central tree in the middle to sit under and outdoor butterflies

**Ella** – a path and a chalk board, noughts and crosses

**Lennie** – storage units for drawing and blankets and pegs to hang up coats and take off our shoes

**Rosie** – speaker to listen to music

**Nelly** – pillows – family, faith, flourish on the school colours

**Henry** – mat for reading on bamboo to cover the reading area

**Next Steps:**

- Share this news with the class
- Collect ideas from your class
- This may include a picture design

**Friday 24<sup>th</sup> May at 9.00am**

**Please bring ALL ideas and any designs.**
