

All Saints'  
family, faith, flourish

## Pupil Premium Non-negotiables 2020-2021

### Easy ways to make a difference every-day

1. Notice the children, engage them every day. Make it a priority to talk to them about their lives.
2. Praise them directly and specifically. Praise attitude as well as outcome.
3. Set appropriate challenges and high expectations.
4. Give them a role to make them feel valued: corridor monitor, plant waterer etc.
5. Plan and direct open questions to them every day and expect and encourage an answer.
6. Mark their books first and give clear, specific feedback and next steps.
7. Sit them in the best place for them to learn with encouraging peers.
8. Monitor their progress more often and intervene swiftly and directly if they start to fall behind.
9. Help them be ready to learn every day and take an extra interest: do they have a water bottle, their glasses, a PE kit, have they lost their reading books, haven't brought their book bag, are late, have incomplete homework, forget its 'no uniform' day?
10. Support and structure their breaktime and playtime activities; give priority for lunchtime clubs such as sports clubs and if necessary, ensure support from a buddy or additional adult.
11. Ensure weekly engagement with the families through either: a conversation with the parents, parent-mail or phone call home. Pupil Premium Teacher, Learning Mentor and Office to support this.
12. Provide after school support such as Homework Club or extra reading support.
13. Be their advocate; their champion; be on their side!
14. Follow everything up and offer help!
