

## Dear Parents & Carers

Welcome back and we hope your child/ren settled well into the school year.

For all new parents and carers to All Saints, we are the PTFA - a group of parents & teachers of the school who work together to organise fun events and activities that raise funds which are then used to improve the facilities and learning of our children.

### What are we doing?

We have exciting Christmas activities planned!

Our children are busy creating some Christmas artwork which will be featured on Christmas cards for you to order. You will receive a leaflet with all information including an access code to your child's/children's Christmas cards by the end of this month.

Our Christmas discos are planned for 28 & 29 November and we are working on a Christmas trail. More information to follow shortly.

### What are we fundraising for?

As every year, we fundraise for Year 3 PE shirts and Christmas books. In addition, the school would love to create a loving and nature based reflection garden in the junior school.

### Want to be part of the journey?

A lot of our activities can only happen with your support by being part of the PTFA journey. The varied work we do means there's something for everyone - it's not just about being on the committee!

So, if you are happy to support us in a volunteering capacity please email us!
