

**All Saints'**  
family, faith, flourish  
"God gave you that gift. Offer it to flourish, so it  
will bring glory into a life" (3 Timothy 1:6-10)

**Year 2 Spring Term 2025**

# NEWSLETTER

Our value this term is 'Forgiveness'. We will be exploring this value during our daily collective worship.

## Our class texts...

## Key Learning this term...

This term our learning will be based around fairy tales. The children will revisit some of their beloved fairy tale stories that they learnt in EYFS and Year 1 as well as some new ones. We will be looking at important grammar features and we will build towards writing our own fairy tales. This term we will be expected to use all the punctuation we have learnt so far, such as full stops, commas, capital letters, apostrophes, question marks and exclamation marks. The children will be encouraged to use their spelling knowledge in their writing. In Maths we will be constantly recapping the four operations (+ - x and ÷) as well as revisiting all prior learned content. We will be exploring measurement; length, height, capacity, mass and temperature. In Geography we'll be focusing on seasonal and daily weather patterns, the drawing of maps, identifying physical and human features and using locational language. Our Science topic this term is 'Living things and their habitats - Around the World'. This topic will extend the children's learning from the previous unit to thinking about ecosystems and biodiversity within many different areas of the world.

In PSHE we will be exploring 'Changes'. This will include recognising who can help us when we are affected by change and how to manage big feelings. We will also spend time exploring what it means to be a good friend. In RE we will be thinking about 'What does Easter mean to Christians?'. In D+T we are continuing to look at building stable structures. In Art we are exploring 'Life in Colour' using a range of mixed media.

We are welcoming in some experienced coaches to teach PE this term. We will be working on hitting balls, catching and running. In Computing, we are programming robots.

## Dates for the diary...

Thursday 6<sup>th</sup> February  
- World Book Day!

W/C Monday 10<sup>th</sup>  
March - Science Week!

Tues 11<sup>th</sup> March- Fire  
Safety talk 1pm

Friday 21<sup>st</sup> March - Red  
Nose Day

## Reminders...

If you have any concerns or questions, please feel welcome to talk to any of the Year 2 staff at drop off and pick up. We are always here to help. You can also call the office at any time and we'll get back to you as soon as we can. Emails can be sent to [info@allsaintsfed.derbyshire.sch.uk](mailto:info@allsaintsfed.derbyshire.sch.uk)

Please make sure your child brings their book bag to school every day, with their reading books and diary to use in school. Book bags need to be able to fit inside drawers so big key rings can prevent your child from closing their tray. Please limit to one key ring for identifying their bag.

Children have homework books to stick in their homework. This will be given to the children on Wednesday. Please ensure your child has a full labelled PE kit in school.

Water bottles are brought to school on Monday and sent home on Friday. Please make sure that there is only water in your bottle, and they are in school at the beginning of each week.
