Our class texts...

Key Learning this term...

This half term our English work will be based around the book 'How to train your dragon' by Cressida Cowell. We will be writing narrative; instruction; explanation and kenning poems. We will continue to complete daily grammar tasks which will include: fronted adverbials; complex sentences; identifying adjectives; adverbs; nouns and verbs. We will also be exploring spelling rules focussing on: suffixes cian, tion, sure, sion and prefixes super, sub and mis. We will continue to widen our vocabulary by looking at a new word a day and challenging ourselves to include this word in our work.

In Maths we will be exploring multiplication and fractions. It is very important that your child knows all their times tables up to 12x12 in preparation for their year 4 times table test in June.

Throughout this term, the children will be learning about the Anglo Saxons and the Vikings particularly exploring their impact and legacy. We are looking forward to our Viking workshop where will be able to explore this area of History further.

In Science this half term we will be learning all about Living things including the digestive system and teeth.

In RE we will be learning about Hinduism and the Festival Holi.

In our PE lessons we will be focusing on invasion games..

Please make sure your child brings their book bag to school every day, with their reading book and diary to use in school.

Homework will be sent out every Wednesday to be handed in the following Wednesday.

Water bottles should be brought to school on Monday and sent home on Friday. Please make sure that there is only water in your bottle, and they are in school at the beginning of each week.
