3.30pm

W/C 10th February- Parent's Evenings

14th February- Last Day of Term

Recommended Read!

Mrs Hutcheson and Miss Newton recommend the book: Oliver Jeffers- How to Catch a Star.

Key Learning this term...

This term we will be learning all about space! The children will read and learn from some texts about space which focus on real historical events, as well as fiction books based in space. As an exciting extension of our space topic, the children will visit the National Space Centre! This aims to inspire and motivate the children in their learning this term and answer any questions they may have.

In Literacy we will use the key texts as stimuli to write recounts, Sci-Fi stories and writing for a range of purposes. Within the children's writing they will be expected to use the full range of punctuation taught so far; capital letters, full stops, commas, apostrophe's for contraction, exclamation marks and question marks. We have and will continue to explore vocabulary, understanding and using nouns, adjectives, verbs and adverbs. In Maths this term we will cover; money and then multiplication and division. We will also keep practising our fluency in areas such as number bonds and times tables.

Our History lessons will follow our Space theme and focus on significant historical events such as the first moon landing in 1969 and more recent astronauts in space. In Geography we will explore and learn about the planets in the solar system, focusing on the features of our planet Earth. In Science, we will be focusing on living things and their habitats. In Art we will be mixing colours using paint and mixed media. In Design and Technology, we will be looking at making sturdy structures including making a chair for baby bear. RE will enable the children to think about what makes certain places are sacred. In music, we are working towards our exciting singing performance (more information to follow!) and are starting singing lessons week commencing 13th January.

Reminders...

If you have any concerns or questions, please feel welcome to talk to any of the Year 2 staff at drop off and pick up. We are always here to help. You can also call the office at any time and we'll get back to you as soon as we can. Emails can be sent to info@allsaintsfed.derbyshire.sch.uk. Please make sure your child brings their book bag to school every day, with their reading books and diary to use in school. Please ensure all clothing is named.

Children have homework books to stick in their homework. This will be given to the children on Wednesday.

Mystery Reader - Please sign up to be a mystery reader in the office.

World Book Day Costume Swap - Please donate any unwanted children's dressing up costumes for our World Book Day Costume Swap. Please drop in any costume donations to the office
