❖ **School Photos - Ordering and Lost Slips**

Following school photographs being taken in school, your child should have bought home a printed access code for you to view the photographs online. For free delivery, please order by the 27th October.

If your child has misplaced their code, please email info@capturephotographyschools.co.uk.

- ❖ **Juniors** – Could we please ask that when collecting your children from the playground that for safety reasons you do not let your children climb on the gates or the sports equipment including the football goals. Thank you for your understanding.

❖ **Attendance – Important Information**

In September 2013 the government introduced new regulations making it clear that Headteachers must not give approval for any leave of absence during term time, including holidays, unless there are exceptional circumstances. Parents are not entitled to take their children on holiday in term time. Planned absence can only be taken with the prior written approval of the headteacher. Each case will be considered on its own merits and the decision of the headteacher is final.

Any requests for term time leave should be made on a leave of absence request form available from the school office and handed in at least two school weeks before the first date of the requested absence whenever possible. You must have received written authorisation before your child can be absent from school.

If a request for leave is denied and the pupil is absent for 5 days or more then the school is expected to refer the case to the local authority. Parent/carers may be issued with a penalty notice fine or prosecution should leave of 5 days or more be taken which is not authorised by the Headteacher, or where repeated incidents of leave in term time for less than 5 days occur or where the unauthorised absence contributes to wider poor attendance that meets the legal threshold. If unpaid this could lead to prosecution under section 444(1) of The Education Act 1996

Absence deemed for the reason of unauthorised leave in term time will be marked in the register with the Attendance code G.

Further information regarding school attendance and penalty notices can be found on the DCC website <https://www.derbyshire.gov.uk/education/schools/welfare-services/attendance/school-attendance.aspx>

❖ **School Opening and Closing times**

Now that we are all back in the swing of school following our summer break, we would just like to remind everyone of our school times.

Infants - Our school gates will open at 8.40am daily with the teachers allowing children into the teaching block at 8.45am. Registration is at 8.55am at which time the school gates will be closed. Our registers are closed at 9am ready for our school day to begin.

In the afternoon, our school gates will open at 3pm with the children leaving the teaching block at 3.15pm.

Juniors - Our school gates will open at 8.30am daily with the teachers allowing children into the teaching block at 8.40am. Registration is at 8.55am at which time the school gates will be closed. Our registers are closed at 9am ready for our school day to begin.

In the afternoon, our school gates will open at 3.25pm with the children leaving the teaching block at 3.30pm.

Anyone arriving after 8.55am will need to enter the school via the school office, this is to ensure our school is secure and to allow our classes to start on time with no interruptions. Children arriving after 8.55am will be marked on the registers as late.

10 Top Tips for Parents and Educators SUPPORTING YOUNG PEOPLE TO BUILD EMOTIONAL RESILIENCE

With increasing societal pressures, many children struggle with managing emotions, facing challenges and processing failure in a healthy way. This is why building emotional resilience in young people is vital for their mental health and personal success. This guide provides practical strategies for parents and educators to help children develop resilience and foster confidence, adaptability and a positive mindset.

1 ENCOURAGE OPEN COMMUNICATION

Regularly engaging children in open dialogue fosters trust and emotional expression. Encourage them to share their thoughts and feelings freely without judgment. Set aside time daily, perhaps during dinner, to ask open-ended questions such as, "What's made you happy today?". This encourages children to express themselves openly.

2 MODEL POSITIVE BEHAVIOUR

Children often learn how to manage emotions by observing adults. By modelling calm and positive responses to challenges, you can teach them valuable emotional management skills. If you've had a difficult day, verbalise how you're feeling and explain how you plan to handle it, such as "I'm a bit worked-up, so I'm going for a walk to clear my mind."

3 TEACH PROBLEM SOLVING SKILLS

Helping children break down challenges into manageable steps encourages a proactive mindset. Explain that every problem has a solution, even if it's not immediately obvious. For example, if a child is stuck on homework, support them in breaking the task into smaller steps, saying things like "Let's focus on just this first question for now."

4 FOSTER A GROWTH MINDSET

Encourage young people to view mistakes as learning opportunities. A growth mindset helps them see setbacks as part of the process, rather than something to be upset about. After a child loses a game or performs poorly on a test, for example, ask them what they've learned from the experience. This reinforces the idea that effort – and even failure – leads to improvement.

5 PROMOTE SELF-CARE PRACTICES

Teaching children about self-care helps them understand the importance of balancing work with relaxation to maintain emotional wellbeing. Parents and carers could start a screen-free hour before bedtime where the family engages in relaxing activities like reading, setting an example to the child for how to unwind.

6 BUILD HEALTHY RELATIONSHIPS

Strong relationships with peers and adults provide a support system that enhances resilience. Encourage positive, respectful interactions to develop social skills. Playdates or group activities can be instrumental in teaching children how to resolve conflicts with friends by modelling and practicing calm communication.

7 SUPPORT EMOTIONAL AWARENESS

Helping children to identify and name their emotions allows them to manage these feelings more effectively. When a child's upset, encourage them to talk to you about what they're feeling in an empathetic and supportive manner, and ask them why they might be experiencing these emotions.

8 ENCOURAGE INDEPENDENCE

Giving children opportunities to make their own decisions boosts confidence and problem-solving skills. A good example of this would be letting children choose and pack their own lunches for school, guiding them with options but allowing them to assume responsibility for the task to help them take ownership.

9 DEVELOP COPING STRATEGIES

Teaching children techniques like mindfulness, deep breathing or journaling can help them manage stress. Show them how to perform breathing exercises when they're feeling anxious, and practise this regularly. Reinforcing this behaviour in young people will make it easier for them to use these techniques of their own accord during stressful moments.

10 CELEBRATE SMALL WINS

Recognising effort, no matter how small, reinforces perseverance and encourages children to keep trying. After a child completes a difficult task, makes progress on a project or reaches another type of personal goal, praise their efforts. Emphasise the hard work they've put in and be sure to let them know how proud you are!
