If you wish your child to take part, please ensure **payment is received before midnight on 2nd October**. So far, we have raised an amazing £59 from last years "Great Fundraising Breakfast Club"
- ❖ **Volunteers: are you able to help?** We are delighted to say that last year we had a wonderful set of volunteers supporting us at both schools and our children and staff really benefitted from the help, support and expertise of all involved. We really hope that all our volunteers will continue to support the school again this year; if you would like to join our amazing team then please contact us via email at info@allsaintsfed.derbyshire.sch.uk. Thank you!
- ❖ **SCHOOL CROSSING PATROL** – Can we please remind parents **not** to park directly on the school crossing. This can create an increased risk to children's safety whilst they are crossing the road.
- ❖ **WALKING HOME** – If your child is in Year 5 or Year 6 and you would like them to walk home from school, please send an email to info@allsaintsfed.derbyshire.sch.uk giving your permission in writing, together with your child's name and class.

- ❖ **PACKED LUNCHES** - Please remember that we are a **NUT FREE** school and so please be mindful of this when sending your child to school with snacks and lunches. Please check the content of chocolate/snack bars and spreads.

Can children please be **provided with a drink in their lunchbox** (as well as the drinks bottle that they have in the classroom). This ensures that everyone having a packed lunch can have a drink at lunchtime as we are running out of cups to give the children water in - thank you!

What Parents & Educators Need to Know about LEGO FORTNITE

Epic Games have recently introduced three new game modes to Fortnite: Rocket Racing, Fortnite Festival and, finally, Lego Fortnite: a survival game using official Lego characters. There are lots of great mechanics that encourage creativity in children, but – as with any online game – it's important to stay aware of the potential risks.

WHAT ARE THE RISKS?

MONETISATION

Lego Fortnite utilises a similar online item shop to the main Fortnite game. When this title was released, the makers introduced thousands of Lego versions of the original game's character skins. Owning an original Fortnite cosmetic means you also own the LEGO version at no extra cost, but the addition of these extra versions could potentially spark new interest in young players, making it more tempting to pay real money for these in-game accessories.

ONLINE PLAY

LEGO Fortnite can be played online, as with the base game. While a player's LEGO world is private when it's first created, they can then invite anyone on their in-game friends list to play with them. If any strangers are on this friends list, they can be invited onto their server. Thankfully, Epic Games has implemented a solid reporting system, as well as tools to kick other players from the game.

FEAR FACTOR

There is no explicit violence in Lego Fortnite, but there is a lot of combat. While the battles in Lego Fortnite remain very cartoonish and child-friendly, a lot of the action unfolds inside dark caves, with spiders, skeletons or scary-looking monsters. The game can get a little spooky at times, which could potentially scare younger players.

COMPLEX GAMEPLAY

Lego Fortnite is a survival game, though it's not as simple as something like Minecraft. There are lots of different crafting stations and loads of items to use or combine (including various rarities to seek out and harvest). The gathering and crafting elements of the game can get quite complicated and confusing, which could be a source of frustration for some younger players.

Advice for Parents & Educators

LEGO IS FRIENDLY

Much like real Lego, this game is incredibly inviting, it's friendly, fun and accessible: a younger player could still enjoy this title even if they'd never played Fortnite before. With sanitised violence, it's a far more family-friendly gaming experience all round – worth bearing in mind if you're concerned about children and young people being exposed to violent or frightening content.

SET LITTLE CHALLENGES

As we've noted, the game is a lot more difficult than it may seem, which could be frustrating or upsetting for some younger players. While the game does a good job of setting realistic targets for players, it can still feel overwhelming, if parents suggest smaller challenges – such as building a house – children can flex their creativity, express themselves with their builds and feel a real sense of accomplishment.

PLAY TOGETHER

Take some time to play the game together. Not only will that help with some of the complicated tasks, but it's also just a fun pastime. Playing with family members also reduces the potential for younger players to invite strangers to enjoy the game with – if any are on their friends list. Furthermore, playing with children will let you more effectively limit their time spent on the game. Instead of "switch it off", you can now say "let's play some more later".

MONITOR SPENDING

If a child has provided their parents' email address and been given consent to make in-game purchases, it's worth keeping an eye on how much gets spent on the in-game currency, V-Bucks. It's very tempting to buy character skins in LEGO form, as a way of expressing yourself and looking cool and unique. As you may know already, the average skin costs between £6-18, which can add up very quickly if not tracked and limited. Keep in mind that you can make it necessary to enter a PIN code to validate every purchase using the game's parental controls, and you can prevent the game from saving your payment information whenever you make a purchase. Furthermore, players under-13 automatically have their spending limited to \$150 (£78.55) per day.
