- ❖ **Volunteers: are you able to help?** We are delighted to say that last year we had a wonderful set of volunteers supporting us at both schools and our children and staff really benefitted from the help, support and expertise of all involved. We really hope that all our volunteers will continue to support the school again this year; if you would like to join our amazing team then please contact us via email at [info@allsaintsfed.derbyshire.sch.uk](mailto:info@allsaintsfed.derbyshire.sch.uk). Thank you!
- ❖ **SCHOOL CROSSING PATROL** – Can we please remind parents **not** to park directly on the school crossing. This can create an increased risk to children’s safety whilst they are crossing the road.
- ❖ **WALKING HOME** – If your child is in Year 5 or Year 6 and you would like them to walk home from school, please send an email to [info@allsaintsfed.derbyshire.sch.uk](mailto:info@allsaintsfed.derbyshire.sch.uk) giving your permission in writing, together with your child's name and class.
- ❖ **PRELOVED UNIFORM** – We have lots of preloved uniform in our reception areas at both the Infant and Junior schools. Please pop in and take a look if there is anything you are in need of!
- ❖ **PE KIT**– Can parents of EYFS to Year 4 please make sure your child’s PE kit is in school from the start of every term. Year 5 & 6 children are now aware of what days they should attend school in their PE kits. Thank you.
- ❖ **PACKED LUNCHES** - Please remember that we are a **NUT FREE** school and so please be mindful of this when sending your child to school with snacks and lunches. Please check the content of chocolate/snack bars and spreads.

Can children please be **provided with a drink in their lunchbox** (as well as the drinks bottle that they have in the classroom). This ensures that everyone having a packed lunch can have a drink at lunchtime as we are running out of cups to give the children water in - thank you!

- ❖ **Year 6 Residential Trip 2025 to Walesby** – The deposit of £50 for this residential trip was due by **26th July 2024**. If you haven’t done so already, could we ask that you please make this payment. **The next instalment for this trip is due to be paid by 27<sup>th</sup> September.**

September 2024

Dear Parent/Carer,

I am very pleased to be able to give you a copy of our new prospectus and invite you to our forthcoming Open Day/Open Evening.

In order to help you to discover more about our school, we have arranged an **Open Day on Thursday 3<sup>rd</sup> October**. If you would like to look around the school whilst lessons are taking place on 3<sup>rd</sup> October, at either 9.15am or 1.45pm, please telephone or email us and let us know which slot you would prefer, so that we can arrange for student guides to be available. You are also very welcome to arrange a visit and a tour of the school on another day, by contacting us in order to confirm a different date and time.

Our **Open Evening on Thursday 3<sup>rd</sup> October** will comprise of two identical sessions. Session one will be at 4.45pm and session two will be at 6pm. At the start of both sessions, I will speak to parents and children in the Sports Hall (part of Wirksworth Leisure Centre), before inviting you to visit areas of the school.

To ensure numbers are kept to a manageable level across the two sessions, we will be encouraging parents to attend a specific session depending on the school your child currently attends. If you are able to, we would like any families with a child in Wirksworth Junior School, Middleton Primary School and Cromford Primary School to come to the earlier session at 4.45pm if possible. This will leave the later session (6pm) for families from any of the other schools. **If you are unable to come to the session allocated to your child's school, you are very welcome to attend the other one or come to see us on a different date.**

Parents and carers with a child in year 5 or year 6 have found these events to be very helpful, reassuring and enjoyable. I hope you will be able to join us on Thursday 3<sup>rd</sup> October. I look forward to being able to meet with you and to show you some of the things that help make AGS such a special place.

Yours sincerely,

**Malcolm Kelly**

## CREATING FAMILY RULES FOR USING DEVICES

A set of family rules agreed on with children can promote the safe, responsible use of devices like tablets, smartphones, gaming consoles and computers. By developing rules around technology, it opens the conversation regarding boundaries and expectations, ensuring a healthy balance of screentime. This guide will help you to develop an age-appropriate family agreement to suit your household.

### 1 WORK TOGETHER

Collaborating with children when setting rules around the use of technology is a valuable task that can encourage them to take more ownership. It's important to make rules which reflect your family and are age appropriate. Think about what you all enjoy doing online and what apps, games or devices children use most frequently.

### 2 AGREE TIME LIMITS AND SUITABLE TIMES

Be realistic when setting screen time limits. These can vary depending on the child's age, whether it's a weekday or weekend, and what they're actually doing online, if they're conducting research for homework, that might require more time than if they were playing games. Consider when screen time begins, does it come after chores and homework? Agree times when technology and phones must be put away.

### 3 ENCOURAGE HONESTY

Family rules ensure that everyone can have fun with their devices and be safe while doing so. Nonetheless, children may make mistakes as they learn to navigate the online world. Emphasise that if they ever feel worried, unsafe or upset about something they've done, sent, said or received, they should tell you immediately so you can help them resolve the problem.

### 4 CHARGING AND OVERNIGHT STORAGE

To ensure children get the downtime they need overnight, it's important that devices – especially smartphones – are kept in a common space, where possible. This reduces the chance of pointless late-night scrolling or sleep being disturbed by calls, messages or notifications. There are charging boxes you can purchase, or all gadgets could be charged in the kitchen overnight to avoid distractions.

### 5 REVIEW RULES REGULARLY

Anything you agree on isn't set in stone. These rules will likely alter as children get older and the way they use technology changes. Take time to review these as a family, discuss what's working, and what isn't. Communication is key – so by doing this, you involve the child in their own online safety while promoting an open dialogue.

### 6 PROTECT PERSONAL INFO

Discuss and demonstrate the importance of protecting your personal information. Talk about what details you share online and who with. Use parental controls to block children from connecting with strangers, so that any information they do share is among their real friends. Ask a child's permission before posting any photos of them on social media, as this demonstrates positive online behaviour that they should learn and remember.

### 7 BE RESPECTFUL

Highlight the importance of showing respect to others when using technology. Encourage children to speak kindly to others online – such as on social media, when playing multiplayer games or in group chats (which can often lend themselves to teasing behaviour). Explain that if they aren't treating others considerately, they might be made to stay away from their devices for a while.

### 8 "NO TECH" ZONES

Designating spaces in the house where technology isn't allowed (for example: bedrooms, bathrooms and at the dinner table) lets you keep an eye on what children are viewing and who they're communicating with. It gives you some quality, screen-free time with them, too. It also helps reduce any impulses to potentially engage with inappropriate content, as they're unlikely to do so in a common space within the home.

### 9 AGREE ON CONSEQUENCES

As a family, discuss why the rules are important to balance their screentime, to ensure everyone enjoys gaming or interacting online, and that they are safe when doing so. Therefore, if these rules are broken, there has to be a consequence. Discuss what would be fair for certain breaches of the rules, as this can prevent a disproportionate response in the future.

### 10 KNOW ALL PASSWORDS

To protect children from inappropriate content, parents should have access to all passwords. Parents should also make it clear that they will check children's devices, should they have any concerns about their use. Emphasise that this isn't due to a lack of trust but is an extra way of keeping them safe.
