## Other News / Information

**Parents Survey** We would be very grateful if you could take a few minutes to complete our Annual Parent Survey.

Your feedback plays an important role in helping our staff and governors understand what we are doing well and where we can continue to improve. Please use the link below to take part and thank you, as always, for your continued support. <https://forms.office.com/e/iieqxNwqZV>

**Easter Celebration Afternoon** We are excited to invite families to our Easter Celebration Event taking place during the week commencing Monday 23rd March. This special event will include: • Easter crafts, such as Easter Bonnet making and Easter Cards • Easter Activities, such as bunny hop races and egg and spoon races • Opportunities to see children's spring and Easter-themed work • Refreshments and a chance to meet other families More details will follow soon, including confirmed dates and session times for each class.

**Larch and Rowan** Next term, Larch and Rowan class will be carrying out a D and T project to make a slingshot car. You are all very welcome to come into class to see what we are up to and get stuck into the car making with us! We would love it if you could join us for the last session on **Tuesday 3rd March from 2:30 to 3:30**.

**After school clubs** Please go on your Arbor App to book onto any of the following after school clubs:

- **Monday: Glee Club**, songs and choreography with Miss Newbould and Mrs Nettleship
  - **Tuesday: Baller League** (Football) for all abilities with Mr Green
  - **Tuesday: Netball Club**, everyone welcome with Mrs Tucker
  - **Thursday: Soft Ball Cricket Club** for all ages and abilities ran by Matlock & Meadows Cricket Club
- Each club runs from 3:30pm - 4:30pm at the Junior site.

**Craft Club is now fully booked.**

Mrs Beech's Homework Clubs and Math's Club will be running as usual, together with Miss Deering's Y6 Tutoring

- ❖ Please complete any outstanding **Consents** in Arbor on your home screen/notices to ensure your child does not miss out on any upcoming events and we have the correct permissions, thank you.
- ❖ Guardians will be notified about new in-app messages received on Arbor. Push notifications will be sent to those guardians who installed the mobile app and enabled push notifications. For those who do not have the mobile app installed, or have not enabled push notifications, an email will be sent instead, **to ensure you receive messages promptly please ensure you have push notifications enabled.**
- ❖ Please bring any Book Swap costumes to the Infant and Junior Offices ready for the Costume Giveaway on the 26<sup>th</sup> February

# 10 Top Tips for Parents and Educators

## SUPPORTING SAFE USE OF AI

Artificial intelligence (AI) is increasingly woven into young people's digital lives. It can offer some educational benefits and day-to-day assistance; however, it also raises concerns about misinformation, privacy, fairness, and safety. This guide provides parents and educators with practical strategies to support young people to navigate AI tools responsibly, and to use them safely and with discernment.

### 1 DEMYSTIFY WHAT AI REALLY IS

Children encounter AI in most online places, including games, streaming platforms, and school tools. Explain that AI uses patterns from past data to make decisions, but it doesn't think or feel like humans. Use age-appropriate examples, like how recommendations on YouTube or Netflix work, to build understanding and prevent false beliefs about AI being all-knowing or alive.

### 2 TALK ABOUT RISKS OF MISINFORMATION

AI can create convincing false information, including deepfake videos, photos, and fake 'facts'. Encourage children to think critically about what they see and read. Teach them to double-check information using reliable sources, to look at images and videos carefully, and to ask an adult if something doesn't seem right.

### 3 DISCUSS DATA AND PRIVACY

Explain that AI systems learn by analysing lots of data, sometimes including personal information. Help young people to be mindful of what they share online and why protecting personal data matters. Model good habits like reading app permissions together or reviewing what's collected by voice assistants like Alexa or Siri.

### 4 ENCOURAGE CREATIVE USE OF AI

Support children, when using AI tools, to explore ideas, make art, or build projects. This fosters confidence, imagination, and independent thinking. When children use AI creatively, rather than just passively consuming it, they are more likely to stay engaged and make thoughtful choices.

### 5 USE AGE-APPROPRIATE AI TOOLS

Not all AI platforms are suitable for children. Choose tools designed for education or creativity, with clear safety policies. Review terms of use and privacy settings, and help children use them in age-appropriate ways. For example, some chatbot tools mimic conversation but should only be used with guidance and boundaries in place.

### 6 USE AI TOGETHER

Exploring AI tools together can help adults understand how they work and spot potential issues. Try co-writing a story with an AI writing assistant or experimenting with an AI art tool. This encourages curiosity, helps you stay informed about the latest AI tools, and allows you to reinforce safe and respectful use while modelling critical thinking.

### 7 SET BOUNDARIES FOR AI USE

Establish when, where, and how AI tools can be used, just as you would with any digital technology. For example, you might agree not to use AI tools to complete school assignments without permission, or to avoid unsupervised use of voice assistants. Consistent boundaries help manage overuse and misuse.

### 8 WATCH FOR OVERRELIANCE

Some AI tools, like homework help apps, may be tempting shortcuts. Encourage children to use AI to support their thinking, not replace it. Celebrate effort and process over perfect answers. Reinforce that mistakes are part of learning and that relying too heavily on AI can limit real understanding.

### 9 TEACH DIGITAL ETHICS AND LITERACY

Help children explore how AI works, where it might be biased, and why ethical thinking matters. Building digital literacy alongside ethical awareness ensures children engage with AI critically, not just conveniently. Help young people to understand that not all people use AI for legitimate purposes; some use it for malicious reasons. Encourage questions about fairness, representation, and who benefits from certain tools; talk about algorithms, echo chambers, and the impact of automation on daily life.

### 10 STAY CURIOUS AND INVOLVED

AI is developing rapidly, and staying informed helps you support the young people in your care. Follow trusted sources for updates and keep the conversation going. If a child brings up a new AI trend or tool, take the opportunity to learn about it together. Showing interest builds trust and strengthens digital resilience.

### Meet Our Expert

Home to the world's largest CPD library for educators, The National College has transformed the way education establishments go about developing their workforces and managing compliance. Our three memberships help all phases and types of setting raise standards, save time, reduce risk, and build a culture of improvement.

# AFTER SCHOOL CLUBS

## Spring Term 1

Bookings are now open for our fantastic after-school clubs next term: Join in the fun with these exciting activities:

### **Glee Club (Juniors – Monday)**

Sing, perform, and have fun!

### **Gardening Club**

(Infants – Tuesday)

Discover nature and learn how to grow plants!

### **Dodgeball Club (Juniors – Tuesday)**

Fast-paced and energetic team games!

### **Dance Club (Juniors – Wednesday)**

Move, groove, and express yourself!

### **Craft Club (Infants – Wednesday**

| Juniors – Thursday)

Get creative and make something amazing!

## All Saints' – Mystery Reader

**What is it?** We want to welcome parents, carers and grandparents into school at the end of the school day (2.45pm) to read to their child/s Year Group. Please feel free to bring your own book or we can provide you with one.

**How and when?** Please come along to the Infant or Junior office for more information

### ❖ **Bookings for Breakfast Club and Sunset Club**

All bookings for Breakfast Club and Sunset Club are now made on Arbor and payment is taken at the time of booking. If you need to change or cancel a booking, please email [info@allsaintsfed.derbyshire.sch.uk](mailto:info@allsaintsfed.derbyshire.sch.uk) and this will be actioned by the office staff.

- ❖ Please could you ensure that names are in children's coats, uniform, PE kit, bags etc. Both infant and junior lost property is building up so please look at the lost property area in both schools if you feel you have something missing. Y1/2 in the entrance to KS1 block, EYFS in their entrance and juniors at the hall entrance.
  
- ❖ If any parents have All Saints' Junior School spare PE kit items at home that were borrowed, please could these be returned to school. If you are having a clear-out, we would also greatly appreciate any donations of extra jogging bottoms or shorts for our spare kit we keep in school - thank you

**All Saints'**  
family, faith, flourish
