

All Saints'

Friday Flyer

Events Next Week

Tuesday 16th June

Year 4 – Sewing book covers Parent Workshop- 2.30 to 3.15

Wednesday 17th June

Year 5 – Music composition Parent Workshop (glockenspiels) Hawthorn - 2.00 - 3.15

Thursday 18th June

Year 5 – Music composition Parent Workshop (glockenspiels) Lime - 2.00 - 3.15

Junior Cricket Competition - Children invited will have the relevant information on Arbor

South Peak Athletics - If your child is attending the relevant information is on Arbor

Friday 19th June

Infant Sports Day - At Junior Site 1.15 - 2.30 - A selection of cold drinks will be available for grown ups to purchase on the day. All priced at £1 each, we can only take cash payments. Thank you

Announcements

Parking at school sites

Please can we ask that there is no stopping or parking on the yellow zigzag lines outside of school and people are parking safely. This will enable child and parents to arrive at school safe and well.

Thank you

Infant Film Nights

Tuesday 23rd June - Y1 & Y2 - Madagascar (U) - 3pm - 4.30pm

Thursday 25th June - Nursery & EYFS - The Adventures of Paddington (U) - 3pm - 4pm

£2 per child - snack provided or you can bring your own snack (no nuts).

Meet the Teachers!

As always, there will be an opportunity for you to come into school for our planned 'Meet the Teacher' sessions. This is chance to visit your child's classroom, see where they sit and meet your child's teacher. During the session your child's teacher will be around to talk to you about the school year ahead and share some slides about what it's like to be in their class. Both schools will be open to allow an earlier and a later visit on both evenings.

Early Years Foundation Stage
Wednesday 24th June Infants: 9am - 10am
Thursday 25th June Infants: 5pm - 6pm

Year 1 – Year 6
Tuesday 8th September Infants: 3.30pm - 4.30pm
Tuesday 8th September Juniors: 4.30pm - 5.30pm
Wednesday 9th September Juniors: 3.30pm - 4.30pm
Wednesday 9th September Infants: 4.30pm - 5.30pm

Weekly After School Clubs

Monday

Year 1 and 2 - Craft Club -
3.15pm - 4.15pm

Tuesday

Infants Gardening Club 3.15 - 4.15pm
collection from ASI Reception
Juniors Chess and Boardgames Club 3.30- 4.30pm

Wednesday

Y3 & 5 Homework Club
3.30- 4.15

Thursday

Y4 & 6 Homework Club 3.30-4.15pm
Juniors Galactico Football Club 3.30- 4.30pm
Juniors Rural Derbyshire Athletics club 3.30-4.30pm

Don't forget we also have our Sunset Club for your
afterschool needs. Speak to either Junior or Infant
office for more information.

ALL SAINTS' CE FEDERATION PTFA

SUMMER SCHOOL FAIR

FRIDAY 3RD JULY 2026

4PM

HURDS HOLLOW • DE4 3LA

Summer Fayer

In preparation for our annual Summer Fayre on Friday 3rd July, the PTFA would like to offer parents, carers and friends of the school community the opportunity to host a stall! If anyone would like a stall to sell their own products, or to help out at a PTFA stall for a short time at the Fayre, please contact allsaintsjuniorptfa@gmail.com. Additionally, from Monday 8th June there will be donation boxes at both school offices if anyone has preloved books or unwanted gifts or toys that we can use for Tombola prizes.

Many thanks!

This Weeks Internet Safety Infomation

At The National College, our WakeUpWednesday guides empower and equip parents, carers and educators with the confidence and practical skills to be able to have informed and age-appropriate conversations with children about online safety, mental health and wellbeing, and climate change. Formerly delivered by National Online Safety, these guides now address wider topics and themes. For further guides, hints and tips, please visit nationalcollege.com.

10 Top Tips for Parents and Educators ELECTRICAL SAFETY AND DEVICES

Electrical safety is a vital topic for parents and educators, especially with the growing use of devices like smartphones, laptops, and power banks. Electrical fires are a major risk and are the cause of many deaths and injuries each year. There are reportedly nearly 20,000 accidental fires of electrical origin each year in the UK. This guide offers practical advice to help families and schools prevent electrical hazards, and promote safety when using everyday devices.

1 CHECK FOR OVERHEATING

Devices such as laptops, tablets, and smartphones can overheat if used for long periods or when charging. Ensure that children don't use devices on soft surfaces like beds or sofas, which can block ventilation. If a device becomes unusually hot, turn it off and unplug it. Overheating can lead to fire hazards if left unchecked.

2 INSTALL RESIDUAL CURRENT DEVICES

Ensure that homes and schools are equipped with Residual Current Devices (RCDs). These devices cut off the power if an electrical fault occurs, preventing electric shocks and reducing the risk of fires. RCDs should be tested regularly to ensure they are working properly. More information about RCDs is available from Electrical Safety First.

3 AVOID OVERLOADING SOCKETS

Plugging too many devices into one socket can overload the electrical system and cause a fire. In schools and homes, ensure extension leads are not overloaded and never 'daisy chain' multiple extension cords together. Educate children on the dangers of connecting too many devices to a single outlet.

4 POWER BANKS: SAFE USE

Power banks are a handy way to charge devices, but they can also pose a risk if misused. Ensure power banks are of high quality and comply with UK safety standards. Teach children never to leave power banks charging unattended, and to avoid placing them under pillows or bedding where they may overheat.

5 REGULAR DEVICE INSPECTIONS

Regularly check devices for signs of wear and tear. Frayed charging cables, cracked device casings, or devices that are slow to charge may indicate electrical problems. If any issues are noticed, stop using the device until it can be repaired or replaced by a qualified technician. This proactive approach helps prevent fires caused by faulty devices.

6 UNPLUG DEVICES WHEN NOT IN USE

Encourage children and pupils to unplug devices when not in use, particularly overnight. Devices left plugged in unnecessarily can overheat or become fire hazards, especially if left charging unattended for long periods. Simple habits like unplugging can prevent serious incidents.

7 USE GENUINE CHARGERS

Always use chargers supplied by the manufacturer or from a reputable retailer. Faulty or counterfeit chargers can cause devices to overheat, short-circuit, or even catch fire. Teach children the importance of avoiding poor-quality chargers, and regularly inspect charging cables for signs of wear or damage. More tips on safe charging can be found at Electrical Safety First.

8 WATER & ELECTRICITY DON'T MIX

Teach children that water and electricity are a dangerous combination. Devices should never be used near sinks, bathtubs, or swimming pools. Parents and educators should ensure that any electrical appliances near water sources have proper waterproof casings and are plugged into RCD-protected outlets.

9 KEEP DEVICES VENTILATED

Devices need proper ventilation to avoid overheating. Avoid stacking items on top of plugged-in devices like laptops or gaming consoles, and make sure there is enough space around devices to allow for airflow. Proper ventilation helps prevent dangerous heat build-up, reducing the risk of fires.

10 SUPERVISE YOUNG CHILDREN

Younger children may not understand the dangers of electricity, so it's important to supervise them when they are using devices. Keep electrical cords out of reach and always remind children never to put objects into electrical outlets.

Meet Our Expert

James Whelan is an experienced health and safety expert who is a Chartered Member of the Institution of Occupational Safety and Health. He provides services to educational settings as well as many other industries to help them maintain a safe working environment.
