## Our class texts...

## Key Learning this term...

This term Year 3 are going back in time to The Stone Age! We will be exploring and writing our own versions of a range of text types in English using appropriate spelling, grammar and punctuation, delivered through our class books – 'Stone Age Boy' and 'How to Wash a Woolly Mammoth'. In Maths, we be starting with problem solving, then moving on to multiplication and division beginning with the 3x table facts.

During our Science lessons we will be learning all about rocks and soils. We will be comparing and grouping together different kinds of rocks based on their appearance and simple physical properties. We will be describing in simple terms how fossils are formed and recognising that soils are made from rocks and organic matter.

Our History lessons will be finding out all about changes in Britain from the Stone Age to the Iron age. In Geography, we will be looking at continents in both the Northern and Southern hemispheres.

In our French lessons, we will learn adjectives of colour, size and shape.

In Art we will be exploring Stone Age cave art. We will use mark making techniques inspired by cave art and create our own painting on cave-like textured paper.

The focus for our PSHE lessons is 'Difference and Diversity' this half term. We will explore what these words mean and begin to understand that it is ok to be different. In RE we will be focusing on Hinduism. Gymnastics is the focus for our PE sessions this term. In Music, we will be learning how to use the handbells to play some Christmas songs. Finally, in Computing, we will be creating a stop-frame animation using the iPads.

Wow – what a busy but exciting term ahead!!
