This term In History, we will be learning all about the Early Islamic civilisation and the importance of Baghdad. We will explore the House of Wisdom, the Silk Route and how people lived. This will link to our English and our writing where we will be exploring stories from 'Arabian Nights'. From the adventures of Sinbad and Aladdin to tales of genies and magical lands!

In Maths we will be exploring area before beginning our multiplication and division units. We will continue to develop our times tables recall, regular time on TTRS and maths whizz at home will support this too!

Throughout Geography this half term we will be revisiting our place knowledge, exploring Europe and its countries. In Science, we will be learning all about electricity and circuits, creating our own circuits and exploring insulating and conducting materials. We will then design and make a quiz board as part of our D and T.

In our PE lessons we will be focusing on dance and gymnastics. We will also be learning about the Holy Trinity and prayer in RE. In PSHE we will be exploring "being me" all linked to being part of a community. In music we will continue with our Ukulele lessons.
