Other News / Information

- ❖ **Illegal parking**– Could we please remind parents and carers that parking across the dropped curbs where the school crossing patrols stands not only presents a danger to children and the patrol, but it is also illegal and punishable by a penalty charge notice even if the vehicle only partially obstructs the dropped curb. Thank you for your understanding while we continue to keep our children and families safe.
- ❖ **All Saints' Infants – Mystery Reader**

Nursery, EYFS, Year 1 and Year 2 Mystery Reader

What is it? We want to welcome parents, carers and grandparents into school at the end of the school day (2.45pm) to read to their child/s Year Group. Please feel free to bring your own book or we can provide you with one.

When? We have a sign-up sheet in the office with available slots.

How? Please come along to the office to sign up for a slot of your choice and the office will confirm if the

- ❖ 🎄 **Christmas Rucksack Appeal – Supporting Pathways of Chesterfield** 🎄

This Christmas, our school is joining the **Pathways of Chesterfield Rucksack Appeal** to support people who are homeless or at risk of homelessness in our community. We're inviting pupils (and families who wish to take part) to fill a **rucksack or backpack** with useful and thoughtful items such as:

- 🧦 Warm socks, gloves, hats, scarves
- 🧴 Toiletries (toothbrush, toothpaste, deodorant, wipes)
- 🍫 Non-perishable snacks (energy bars, chocolate, biscuits)
- 💧 A water bottle or small blanket

Please bring your contributions by Wednesday 10th December. Taking part is completely **voluntary**, but every contribution will make a big difference to someone in need.

- ❖ **Bookings for Breakfast Club and Sunset Club**

All bookings for Breakfast Club and Sunset Club are now made on Arbor and payment is taken at the time of booking. If you need to change or cancel a booking, please email info@allsaintsfed.derbyshire.sch.uk and this will be actioned by the office staff.

If you have any outstanding Sunset payments on Arbor, please pay these as soon as possible. These can be found on Payment, Accounts, shop, to pay. Thank you

- ❖ **Arbor Payments Reminder**

To book your child onto **Trips, Clubs, or Events**, please ensure you have topped up your Arbor account balance. This will enable you to complete the booking successfully.

10 Top Tips for Parents and Educators

ELECTRICAL SAFETY AND DEVICES

Electrical safety is a vital topic for parents and educators, especially with the growing use of devices like smartphones, laptops, and power banks. Electrical fires are a major risk and are the cause of many deaths and injuries each year. There are reportedly nearly 20,000 accidental fires of electrical origin each year in the UK. This guide offers practical advice to help families and schools prevent electrical hazards, and promote safety when using everyday devices.

1 CHECK FOR OVERHEATING

Devices such as laptops, tablets, and smartphones can overheat if used for long periods or when charging. Ensure that children don't use devices on soft surfaces like beds or sofas, which can block ventilation. If a device becomes unusually hot, turn it off and unplug it. Overheating can lead to fire hazards if left unchecked.

2 INSTALL RESIDUAL CURRENT DEVICES

Ensure that homes and schools are equipped with Residual Current Devices (RCDs). These devices cut off the power if an electrical fault occurs, preventing electric shocks and reducing the risk of fires. RCDs should be tested regularly to ensure they are working properly. More information about RCDs is available from Electrical Safety First.

3 AVOID OVERLOADING SOCKETS

Plugging too many devices into one socket can overload the electrical system and cause a fire. In schools and homes, ensure extension leads are not overloaded and never 'daisy chain' multiple extension cords together. Educate children on the dangers of connecting too many devices to a single outlet.

4 POWER BANKS: SAFE USE

Power banks are a handy way to charge devices, but they can also pose a risk if misused. Ensure power banks are of high quality and comply with UK safety standards. Teach children never to leave power banks charging unattended, and to avoid placing them under pillows or bedding where they may overheat.

5 REGULAR DEVICE INSPECTIONS

Regularly check devices for signs of wear and tear. Frayed charging cables, cracked device casings, or devices that are slow to charge may indicate electrical problems. If any issues are noticed, stop using the device until it can be repaired or replaced by a qualified technician. This proactive approach helps prevent fires caused by faulty devices.

6 UNPLUG DEVICES WHEN NOT IN USE

Encourage children and pupils to unplug devices when not in use, particularly overnight. Devices left plugged in unnecessarily can overheat or become fire hazards, especially if left charging unattended for long periods. Simple habits like unplugging can prevent serious incidents.

7 USE GENUINE CHARGERS

Always use chargers supplied by the manufacturer or from a reputable retailer. Faulty or counterfeit chargers can cause devices to overheat, short-circuit, or even catch fire. Teach children the importance of avoiding poor-quality chargers, and regularly inspect charging cables for signs of wear or damage. More tips on safe charging can be found at Electrical Safety First.

8 WATER & ELECTRICITY DON'T MIX

Teach children that water and electricity are a dangerous combination. Devices should never be used near sinks, bathtubs, or swimming pools. Parents and educators should ensure that any electrical appliances near water sources have proper waterproof casings and are plugged into RCD-protected outlets.

9 KEEP DEVICES VENTILATED

Devices need proper ventilation to avoid overheating. Avoid stacking items on top of plugged-in devices like laptops or gaming consoles, and make sure there is enough space around devices to allow for airflow. Proper ventilation helps prevent dangerous heat build-up, reducing the risk of fires.

10 SUPERVISE YOUNG CHILDREN

Younger children may not understand the dangers of electricity, so it's important to supervise them when they are using devices. Keep electrical cords out of reach and always remind children never to put objects into electrical outlets.
