Tuesday 16 th December	EYFS Nativity Performance	
Wednesday 17 th December	EYFS Nativity Performance	

Other News / Information

- ❖ **Arbor** - We are very excited to announce that All Saints' CE Federation has recently signed up to a new management information system called Arbor.

Adopting Arbor will allow us to communicate with you more efficiently and bring all core school data and workflows into one system.

Arbor has a parent portal and parent app and an account has been created for you. Simply download the app on your device (**please see the poster below**), your username is the email address we sent this email to and click 'forgot your password?' to finish setting up your account.

When your account is activated you will be able to see your child's profile and attendance information. In the near future we will stop using ParentMail and you will be able to pay for school dinners and trips and book your child's after school clubs all in one place via the Arbor parent app.

Please activate your account as soon as possible, communications will be sent to you through the Arbor app so it is essential that you register.

We hope you are looking forward to using this new feature as much as we are!

- ❖ **Road Safety at school** - As part of our ongoing commitment to keeping all children safe, we kindly ask for your continued support with safe and considerate parking around the school.

Please remember:

Do not park on yellow zig-zag lines or block driveways – these areas are designed to keep visibility clear and children safe.

Avoid stopping in the middle of the road to drop off or pick up children – this creates unnecessary hazards.

Be mindful of pedestrians, especially during busy drop-off and pick-up times.

Drive slowly and carefully near the school – children can be unpredictable, and extra caution helps prevent accidents.

We understand mornings can be rushed, but a few extra minutes can make a big difference in keeping our school community safe.

Thank you for your cooperation and for helping us make the area around school safer for everyone. Our PCSO Keanu Copeland is regularly around school at drop-off and pick-up times if you have any further questions.

- ❖ **Nut Free School** - A gentle reminder that we are a **nut-free school**. This means **no nuts or nut products** (including peanut butter, Nutella, cereal bars with nuts, etc.) should be brought into school. We have children with **severe nut allergies** and even a small trace can cause a serious reaction. Your support helps us keep everyone safe and healthy.
- ❖ **Permission to walk home** -If you wish to give permission for your child to walk home, please confirm this in writing by sending an email to the office at info@allsaintsfed.derbyshire.sch.uk.

All Saints'
family, faith, flourish
Christus qui omnia solvit. Sancti Spiritus qui omnia ligat. Quis vincit nisi vincatur. Qui vincitur nisi vincatur. Qui vincitur nisi vincatur.

Getting in touch at All Saints' CE Juniors

Got a question that needs to go beyond the Office Team? Here's who to contact...

For general enquiries: info@allsaintsfed.derbyshire.sch.uk

For safeguarding or support: safeguarding@allsaintsfed.derbyshire.sch.uk

To contact our Inclusion Team call: **07586194660**

For SEND specific enquiries: senco@matlockanddales.derbyshire.sch.uk

We're using the Arbor Parent App!

See and manage your child's day-to-day school information. Understand their progress, make payments and bookings, and receive in-app messages - all from one app

Log in in seconds with Face ID

Receive in-app messages and reminders on your phone

Make payments, sign up for clubs, and book parents evenings

See your child's progress, attendance, behaviour points, report cards and more

Check your child's calendar, it's always up-to-date

Scan the QR code to download the Arbor Parent App, and use your email address to log in

What Parents & Educators Need to Know about

SNAP STREAK

97

SNAPCHAT

AGE RESTRICTION
13+

WHAT ARE THE RISKS?

With over 800 million active monthly users and billions of 'Snaps' sent each month, Snapchat is a popular messaging app among children and young people. It allows users to share fun, spontaneous pictures and videos with friends and family while using playful filters. One of Snapchat's unique features is that pictures, videos and messages are only viewable for a short period of time.

ARTIFICIAL INTELLIGENCE

Snapchat's use of artificial intelligence (AI) includes features like the 'My AI' chatbot and AI-powered filters, offering interactive experiences that can be fun but also pose risks. These tools may share unfiltered or inaccurate responses, promote unrealistic beauty standards, and collect personal data. Advanced filters and deepfake-style lenses can distort reality, potentially leading to manipulation, impersonation, or inappropriate content.

SCREEN ADDICTION

Snapchat boosts user engagement and daily use with features like streaks (daily Snapchat exchanges between you and a friend). When a streak's been going for a few days, users will see a 🍀 emoji. The number alongside it shows the number of days, but if users miss a day and break the streak, the only way to restore it is to pay. This encourages daily use habits, and frequent notifications can keep users returning to the app even more often.

SEXTORTION

Because Snapchat's disappearing messages feature may foster a sense of safety, users may become targets of sextortion. For example, a predator may pressure someone into sending nude images, then somehow capture those images to threaten and intimidate the victim. This might involve claiming they will share the images with friends or family unless money is paid.

SNAPCHAT+

Snapchat+ is the platform's premium subscription service, offering early access to new and exclusive features. In June 2025, Snapchat introduced a new tier called Lens+, giving subscribers access to hundreds of lenses and AR experiences for playing, creating, and sharing Snaps. These paid features may encourage young users to spend money to access exclusive content, increasing the risk of overspending or feeling pressured to make in-app purchases.

ACCESSIBILITY

Snapchat is now accessible from a web browser, meaning children can use it on a laptop or tablet without downloading the app. This can make activity harder to monitor, reduce the effectiveness of parental controls, and increase the risk of unsupervised communication or exposure to inappropriate content.

INAPPROPRIATE CONTENT

Some content on Snapchat isn't suitable for children. The hashtags used to group content are determined by the poster, so even an innocent search term could still yield age-inappropriate results. The app's disappearing messages feature also makes it easy for young people to share explicit images on impulse – so sexting continues to be a risk associated with Snapchat.

Advice for Parents & Educators

ACCESS THE SNAPCHAT FAMILY SAFETY HUB

Created with guidance from Common Sense Media, Snapchat has developed a Family Safety Hub that explains how the app works and how to use its in-app protections for teens. It's recommended that you review this guidance before allowing a child to download Snapchat. Remember, the app is only intended for children aged 13 and over.

ENCOURAGE OPEN DISCUSSIONS

Snapchat's risks can be easier to handle if you nurture an open dialogue. Talk about scams and blackmail before letting children sign up. If they're lured into a scam, encourage them to tell you immediately. Talk openly and non-judgementally about sexting, emphasising its inherent risks. Furthermore, explain how popular 'challenges' on the platform can have harmful consequences.

BLOCK AND REPORT

If a stranger connects with a child on Snapchat and makes them feel uncomfortable by pressuring them to send or receive unwanted or inappropriate images, the child can tap the three dots on that person's profile to report or block them. There are options to state why they're reporting that user, with a tailored reporting section under the 'Nudity and Sexual Content' category. In this category, there's the option to report somebody for threatening to leak sexually explicit images, or 'nudes'.

USE PRIVACY SETTINGS TOGETHER

Sit down with the children in your care and explore Snapchat's privacy settings as a shared activity. You can help them adjust who can contact them, view their stories, or see their location on Snap Map. It's a good opportunity to explain why some settings are safer than others, reinforcing their understanding of online boundaries. Encourage them to regularly review these settings, especially after app updates or changes in their friendship groups.

Meet Our Expert

Dr Claire Sutherland is an online safety consultant, educator and researcher who has developed and implemented anti-bullying and cyber safety policies for schools. She has written various academic papers and carried out research for the Australian Government comparing internet use and sexting behaviour of young people in the UK, USA and Australia.

Autumn 2025

Dear Parent/Carer,

Open Day on Wednesday 1st October

If you would like to look around the school whilst lessons are taking place on 1st October, at either 9.15am or 1.45pm, please contact us via email enquiries@anthonygell.co.uk, or use the QR code (below) and let us know which slot you would prefer. You are also welcome to arrange a visit on another day by contacting us to confirm a different date and time.

Open Evening on Wednesday 1st October

Visitors have the option to visit us for one of two identical sessions. Session one will start at 4.45pm and session two will begin at 6pm. Both sessions start in the Sports Hall which is in the leisure centre attached to AGS. As part of your visit you will be able to hear about our school, talk to staff and students, and visit various teaching spaces to help you make your decision.

To keep numbers manageable across the two sessions, we are encouraging parents to attend a specific session depending on the school your child currently attends. If you are able to, we would like any families with a child in Wirksworth Junior School, Middleton Primary School and Cromford Primary School to come to the earlier session at 4.45pm. This will leave the later session (6pm) for families from any of the other schools. If you are unable to come to the session allocated to your child's school, you are of course very welcome to attend the other one.

Parents and carers with a child in Year 5 or Year 6 have found these events to be very helpful, reassuring and enjoyable. I look forward to being able to meet with you.

Yours sincerely,

Malcolm Kelly
Headteacher

Please use this QR code to book a daytime visit on Wednesday 1st October
