#### ❖ All Saints' 150 Year Anniversary

We are excited to be celebrating **150 years since the founding of All Saints' CE School** in 1875 on **Friday 19th September!** To mark this special occasion, we have a day of Victorian-themed fun planned for the children.

#### Dress Code:

Children are invited to come to school in a **simple school uniform**—a polo shirt with shorts or a skirt. To add a touch of history, they are welcome to wear **Victorian-style caps or jackets** if they have them.

#### Historic School Photograph:

We will be **recreating a school photograph** from the year the school opened—1875! A wonderful keepsake and a step back in time.

#### Victorian Games & Picnic:

The day will include **traditional Victorian games** and a **school lunch picnic on the school field**, among other exciting activities.

More details will follow soon, but we hope your child will join us in making this a memorable and joyful celebration of our school's rich history.

#### ❖ Meet the Teacher:

As always, there will be an opportunity for you to come into school during the week of Monday 8th September 2025 during our 'Meet the Teacher' sessions. This is chance to visit your child's classroom, see where they sit and meet your child's teacher.

During the session your child's teacher will be around to talk to you about the school year ahead and share some slides about what it's like to be in their class. Both schools will be open to allow an earlier and a later visit on both evenings.

**Monday 8th September Infants: 3.30pm – 4.30pm**

**Monday 8th September Juniors: 4.30pm - 5.30pm**

**Tuesday 9th September Juniors: 3.30pm - 4.30pm**

**Tuesday 9th September Infants: 4.30pm - 5.30pm**

# What Parents & Educators Need to Know about ONLINE SLANG

## WHAT ARE THE RISKS?

Slang moves fast – and for many young people, it's not just how they talk, but how they share their identity and feelings. Learning key terms helps adults connect and show understanding, even if the lingo seems baffling at first.

### GENERATIONAL MISCOMMUNICATION

Words like 'rizz' or 'slaps' can be misunderstood by adults, leading to awkward moments or a breakdown in trust. These phrases often carry subtle social meanings among young people.

### RAPIDLY SHIFTING MEANINGS

Slang changes quickly. A term like 'bop' might sound innocent one week and be repurposed the next. This makes it easy for adults to fall behind and for children to misstep.

### SHIELDING BULLYING OR EXCLUSION

Inside jokes and trending terms like 'simp' or 'NPC' can be used to mock or exclude others. What looks like harmless fun might actually reinforce social divisions or bullying.

### PERFORMING FOR THE ALGORITHM

Slang often reflects what's popular on platforms like TikTok. Young users might exaggerate or act out for likes, creating online personas that don't match their real selves.

### CONTENT MODERATION WITH CODED SPEECH

To avoid content filters, young people sometimes use slang or emojis to talk about serious topics – for example, saying 'unalive' instead of other death-related terms. This makes harmful content harder to spot.

### LONG-TERM DIGITAL FOOTPRINT

A slang-filled post might seem funny now but could resurface years later during job checks or university applications – possibly out of context, but still damaging.

## Advice for Parents & Educators

### KEEP UP, DON'T CATCH UP

Follow youth culture pages or ask your child about new slang. Staying informed shows that you're engaged and open to understanding their world.

### FOCUS ON CONNECTION OVER CONTROL

Being someone your child can talk to is more valuable than using strict filters or monitoring apps. Openness builds trust.

### ASK, DON'T INTERROGATE

Use open questions to invite conversation. You're not quizzing them – just trying to learn more about their online lives.

### ENCOURAGE CRITICAL MEDIA LITERACY

Talk about where slang comes from, how it spreads, and how it can impact others. This helps young people use language more thoughtfully.

### ONLINE SLANG CHEAT SHEET - The following slang terms are common examples – please be aware this isn't an exhaustive list and both meaning and prevalence can change swiftly.

#### COMMON SLANG:

- **Sigma** – Independent, self-reliant (often male) mindset; proud outsider status. Often celebrated in motivational memes.
- **Skibidi** – Nonsense word from the viral 'Skibidi Toilet' meme; expresses chaos or fun. Usually harmless but pervasive.
- **Chat** – The collective audience or group of viewers (e.g. on a livestream). Used when addressing followers directly.
- **Leek in** – To focus, commit or get serious (e.g. before gaming or sports). Positive encouragement to concentrate.
- **Cooking** – Doing something exceptionally well or gaining momentum. Opposite of 'cooked'.
- **Rizz** – Charisma or flirting ability (short for charisma). Can praise social confidence.
- **Aura or aura farming** – One's perceived 'energy' or vibe; 'farming' means manufacturing clout.

#### POTENTIALLY CONCERNING SLANG

- **Bop** – An adult content creator (e.g. OnlyFans). Indicates exposure to 18+ material.
- **Gyatt or gyatt** – Sexualised exclamation about someone's backside. Objectifies appearance.
- **Tralero tralero / bombardino crecedilo / tung tung tung sahur** – Spammy references to AI-generated creatures with 'Italian-sounding' names. Can clog chats, derail discussion, and harass others.
- **Glazing** – Overpraising or obsessively defending a streamer or celebrity.
- **Crash out** – To lose control, give up or have a meltdown; sometimes hints at self-harm.
- **Cooked** – Ruined, exhausted or in serious trouble; sometimes mental health-related.
- **Unalive** – Euphemism for death or suicide; used to avoid content filters.
- **NPC** – Used to suggest someone is lacking independent thoughts or is repetitive and predictable.
