Children will soon begin practicing for their events, and we can't wait to see their enthusiasm and team spirit on full display. Families are warmly invited to attend—**don't forget to bring your change to buy hot or cold drinks and ice-pops at our refreshments stall!**

PTFA Summer Fayre

Our PTFA is busy planning this year's Summer Fayre, which promises to be a fun-filled afternoon for the whole school community. Expect games, stalls, food, and entertainment—all in support of raising funds for exciting school projects. Volunteers are always welcome!

Nursery Stay and Play Sessions

We're looking forward to welcoming new families to our Nursery Stay and Play sessions this term. These sessions are a great way for children to explore their new environment and for parents to meet our Early Years team. No need to book, just turn up!

Transition Arrangements

As we move through the term, we'll be supporting children with their transitions to new year groups and settings. From story-time with new teachers to visits to secondary schools for Year 6, we're committed to making these changes smooth and positive for everyone. We will be sending a separate letter out very shortly containing further details about transition arrangements including the name of your child's class teacher for September 2025 and which other adults will be working in their classes.

Trip to the Open Centre

Our Key Stage 2 pupils have recently visited the Open Centre in Derby to learn more about different faiths and cultures. This enriching experience helps to deepen understanding and respect for diversity—something we value greatly at All Saints'.

Trip to Eyam

Year 5 have also enjoyed their day out in the plague village of Eyam supporting their understanding in history and giving them the chance to explore the village's fascinating history during the time of the plague. It's a brilliant opportunity to bring their learning to life and connect with the past in a meaningful way.

South Peak Sports

We're gearing up for an evening of South Peak Sports—a highlight of our sporting calendar! Our KS2 pupils will represent All Saints' with pride and determination in this friendly inter-school competition held at Darley Dale School Field on **Thursday 12th June at 6pm**. Let's cheer them on!

RSE Workshops for Parents

We'll be holding RSE (Relationships and Sex Education) workshops for parents this term to share how we approach these important topics in an age-appropriate and sensitive way. These sessions are a great opportunity to ask questions and understand the curriculum. They link closely to the work we do all year round in PSHE and will follow on seamlessly for the children. Here is an example of some

pupil responses in Year 4 when discussing: 'what makes a positive community?'
