

All Saints'
family, faith, flourish

*'God gave you that gift... Now let it flourish, so it
will bring glory into a life' (1 Timothy 1:4 - KJV)*

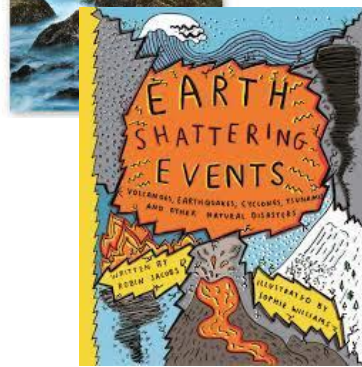

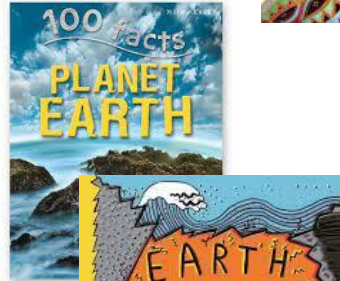

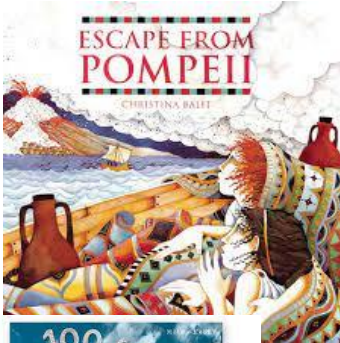

Year 3 Summer Term 2 2025

NEWSLETTER

Our value this term is **Courage**.

'Be strong and courageous; do not be frightened or dismayed, for the Lord your God is with you wherever you go.' Joshua 1.9

Our class texts...

Key Learning this term...

We have now reached the final term of the school year - the year seems to have flown by! In English, we will be using our class books to explore the structure and presentation of non fiction texts. We will be writing: non-chronological reports, poetry, instructions, letters and narrative using appropriate spelling, grammar and punctuation. In Maths, we will be moving onto the topics of Angles and Shape. In Science, we will be completing our learning about plants by exploring methods of seed dispersal. In History, we will be finding out about the Roman Empire and its impact on Britain. We will learn about Roman technology and Roman forts. This will link in with our DT, as we will look at nets and then use recycled materials to create a Roman Fort. In Geography, we will be learning key facts about earthquakes and volcanoes and their impact on the local environment. French lessons will continue this term with the children learning how to ask and/or answer simple questions and use short phrases to give information. In RE this term, we will be focusing on how faith and beliefs can help us, and others, decide what is right and wrong. In our PSHE lessons we will be exploring the topic of Emotions. In Music this term, we are continuing to focus on composition but we will be using body percussion to create a rhythm and beat. In PE, we will be playing cricket and developing our striking and fielding techniques. Finally in Computing, we will be returning to Scratch to write algorithms and programs that use a range of events to trigger sequences of actions.

Reminders...

Water bottles are brought to school on Monday and sent home on Friday. Please make sure that there is only water in your bottle.

PE kits should be in school at all times. Our PE day is Monday.

If you choose to bring in a snack, please ensure it is fruit or vegetables. No nuts please 😊

Homework will be given out each week on a Wednesday and should be returned the following Wednesday. We will mark it together in class. There will also be the Maths Whizz homework each week.

Please use the home-school planner to record each time you listen to your child read at home. Ideally this should be 3 times a week to increase reading fluency, expression and comprehension. Listening to you read stories too is a great way to increase understanding of vocabulary, use of expression and general understanding of a text. Reading books and planners need to go between school and home every day please.

We have an open-door policy and are always here on the door before and after school to talk if you have any worries or concerns. If you don't have the chance to catch us during this time, as you need to dash off, then please call the office to arrange a time to chat.

Dates for the diary...

11th June: Last Forest School session for Sycamore

10th June: Recycling workshop for Year 3 in school.

18th June: Oak Forest School sessions begin. More information will be sent to you about this.

27th June: Summer Fayre

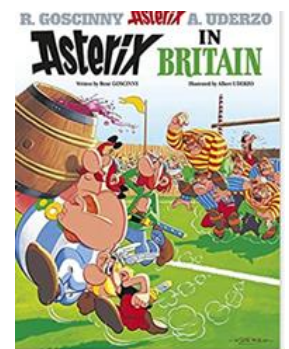

1st July - Transition afternoon

9th July - Transition morning (No forest school for Oak)

16th July - last Forest School session for Oak.

24th July - Last day of school before the 6 weeks holidays.

Recommended Read!

This book is recommended by Mrs Stone and Mrs Tucker as it fits in nicely with our Roman topic.
